DAVE PENNEY
Dave has worked at our school for 4 years and has taken great pride in developing exemplary learning relationships with all of his students. This has supported them to 'be their best' in all areas. Dave's most recent achievements have been in partnership with the Year 4 Team where he has taken a lead supporting our 'Inquiry Learning' approach by hatching and nurturing chicks that have gone on to lay eggs to support our kitchen garden program. A big thank you to Dave and best wishes as he moves on to Doncaster Gardens PS.

ROB SLATTER
Thanks very much to Rob for being with us for 12 months and bringing new knowledge and skills to the Year 5 Team along with enhancing our Occupational Health and Safety procedures. We wish you all the best on your return to Stevensville Primary School.

JAN HOOKEY
We wish Jan all the very best as she enjoys a year off. We know she will enjoy sleeping in and having lots of 'me' time.

NEW STAFF
We welcome Abbey Collins to our Year 2 Team and Steven Tomaszewski to our Year 4 Team and look forward to working with them in 2016.

CHRISTMAS CHEER!
We hope everyone enjoyed the school concert. It is a fun way for children to enjoy the opportunity to perform in front of a large audience. Thank you. At our Christmas concert we raised $780.00 for our Bali School. This money will go a long way to supporting an education program for these children for a year. Thank you for helping to give educational opportunities to these children.

THANK YOU TO OUR SCHOOL COMMUNITY
A huge thank you to everyone who has helped to make our school the great school it is. We have had assistance in many ways from help in classrooms, specialist programs, garden, working bees, School Council, kitchen, sports days etc. Our school would not be the school it is without your invaluable support.

THANK YOU TO OUR STAFF
A big thanks to our wonderful staff who work very hard to ensure our children have the best opportunities to flourish as learners. A special thanks to Pam Whitten and Leanne Fitzsimons who work tirelessly to ensure our school runs smoothly.

A big thanks to Steve, Sue, Anita and Leanne in the office who are the engine room of the school. They work hard to look after the children and keep the school running.

A big thank you also to our Integration Team who work flexibly in all areas of our school to also ensure all of our children flourish as learners.
FUNDRAISING
A big thanks to our great team led by Sharlene Tarantino. Thanks for all the great events you have planned for us and the monies raised which have improved the school facilities for our students. This year the fundraising group have raised $31,887.07. These funds have assisted us to purchase fantastic outdoor play equipment. Congratulations to Sharlene on receiving the ‘Catherine King’ Community Award at our final assembly.

YEAR 6 2015
We wish all our Year 6 students a happy start to 2016 in Year 7. We are very proud of your achievements and will miss you all, but look forward to hearing about all of your adventures and the achievement of your future goals.

TERM 4 UPDATE PE AND SPORT

What a great term we have had in the world of PE and Sport. The National Tennis Program was launched and conducted over a 6 week period across all grade levels. It was hugely successful and lots of fun. The grade 5 students ended their tennis experience down at Maddingley Park on the big courts with a tennis morning run by Steve Kelly. Steve has been a great support to us during this program and we are very grateful for his input and expertise. We look forward to continuing tennis in our PE program again next year.

PREP INTENSIVE SWIMMING took place earlier this term at Paul Saddler. It is always a challenging and tiring time for students and teachers involved but the benefits and the experience are well worth it.

JUNIOR SPORTS DAY was a lot of fun. A huge thank you to Mrs Muller who organised the morning. Thank you to all the parents/grandparents and friends who came to watch the children. The house and school captains did a terrific job of running each event.

THE GOLF PROGRAM led by Tony Collier for grade 5 and 6 students was again very popular. The grade 5 and 6 students participated in 2 lessons and the grade 6 students followed up with a tournament at Bacchus Marsh West Golf Course. Thanks to all the volunteers that assisted at the tournament. It was a great day.

SSV NATIONAL ATHLETICS CHAMPIONSHIPS IN CANBERRA
Congratulations to Jarvis Miles who competed in Canberra as part of the School Sport Victoria State Athletics Team. Jarvis was placed 4th in the discus event with a personal best. He also competed in the shot put relay and his team placed second. Well done Jarvis!

2016 - As soon as school returns next year we will be straight into preparations for the district swimming event at Waves on Thursday 25th February. Students from grades 4-6 who are competent swimmers, able to swim 50m continuously in a race situation, will participate in trials at the local pool on Friday 19th February.

Stay safe and healthy over the holidays. We look forward to another busy and exciting year in PE in 2016. Congratulations to Alli Grant who joined our PE team this year and will be continuing on next year.

Merry Christmas!

PE TEAM – Lisa, Yvonne and Alli.

**Program Update**

The educators and children have been busy further developing our OSHClub room play spaces and displays during the past few weeks. We have created a new natural/recycled play space, rearranged the room so that we have a 'quiet corner' for rest and relaxation and created some beautiful displays around the room. We have all been enjoying our improved environment and are looking forward to continuing the development of our program.

Victoria’s Department of Education and Training has released a new app that is designed to help parents become more engaged in their child’s education.

SchoolMate provides parents with a roadmap to help aid their child’s learning at home and at school. It:

- shows parents what their child is learning in each subject, at each year level according to the Victorian curriculum (AusVELS)
- provides parents with tips for helping their child in the best way possible
- suggests apps, books, events and activities related to each subject area and year level.

SchoolMate was created by the Department with input from the Victorian Curriculum and Assessment Authority and Victoria’s professional teaching associations including:

- Victorian Association for the Teaching of English
- School Sport Victoria
- Australian Council for Health, Physical Education and Recreation
- Geography Teachers’ Association of Victoria
- Science Teachers’ Association of Victoria
- History Teachers’ Association of Victoria
- Digital Learning and Teaching Victoria
- Mathematical Association of Victoria
- Art Education Victoria.

We think SchoolMate is a great resource for parents and we encourage you to visit the App Store or Google Play and download it today.

The Department will begin updating SchoolMate soon, so please let us know if you have any feedback you would like us to share with them, or you can email the SchoolMate team directly at online.comms.unit@edumail.vic.gov.au
