

April 2018

Dear Prep Families,

Welcome back to Term 2. We hope you all enjoyed your break. We are looking forward to an exciting and busy Term 2. At the end of term, we will have a celebration of learning with you and your child. This is where we reflect on your child's learning growth through their portfolio and enable them to discuss their learning progress for the first semester and set goals for their future learning. This is a very exciting and important time for our students to develop as engaged learners.

Mathletics and Reading Eggs

These are wonderful websites that can be accessed with your child at home.

www.mathletics.com
