Grade 3 Home Project

Today we challenged Grade 3 students with the phrase, “All families are the same.”

This term in Inquiry we are exploring family and Australian history. Your child will be required present to the whole class about their family traditions and/or history.

Your child can choose to present as a poster, PowerPoint presentation, objects that they speak about, a video, a performance, booklet etc. This task will be completed at home and presented by them at school.

Below are some ideas to assist your child:

What are my family’s traditions?
- food
- clothing
- language
- celebrations

What makes my family special or different?

Did anyone from my family come from overseas?

This task is due: Friday, 4th March

If you would be interested in sharing about your family’s culture or immigration stories please see your child’s teacher to discuss this further.
