3 WAY INTERVIEWS – THURSDAY 25TH JUNE
We are very excited to be sharing the student’s learning this Thursday. We hope you enjoy sharing your children’s first Semester of learning, including their achieved goals, work samples, reports and progress. Children will also be able to talk about their future goals for learning.

SCHOOL WILL FINISH AT 1.00PM ON THURSDAY 25TH JUNE

LAST DAY OF TERM – FRIDAY 26TH JUNE
School will dismiss at 2.30pm and buses will coincide with our early finish.

FUNDRAISING
Our Fundraising parents delivered chocolates to students on Friday. This is a major Fundraiser for Term 3. Term 2 Fundraiser was the Walkathon.

Our Fundraising team work really hard and organise events such as Mother’s Day Stall, Father’s Day Stall. Last year they raised enough money to purchase a shade sail for the Prep playground ($15,000) and we have had two rope playgrounds installed. The Spiderweb playground cost in excess of $50,000 including soft fall. We decided to have this playground installed at the start of this year so children could enjoy using it. Money raised this year through Fundraising will help to pay the costs of this equipment.

Any future fundraising will go towards a shade sail for our big sandpit.

A huge thanks to our Fundraising team and to all the parents who support Fundraising by selling chocolates, Walkathon sponsorship etc. Our children are very lucky.

HOLIDAYS
We hope everyone has a great holiday and that children return to school rested for a great Term 3 full of learning.

MRS HUDSON
Judy Hudson has worked at our school for over 21 years. Judy has decided to retire from BMPS and try new adventures. We hope she enjoys her new life and we will miss her. Judy has been a wonderful teacher and leader in our school.
