POSITIVE CLASSROOM MANAGEMENT STRATEGIES

We look forward to sharing our school **Expectations and Rules Matrix** with the school community in the coming weeks.

What is Positive Classroom Management Strategies?

Positive Classroom Management Strategies (PCMS) focus on increasing learning time and engagement through eight evidence-based practices.

PCMS are effective when implemented consistently through a whole-school approach that establishes consistent expectations, clear rules and fair, logical and predictable consequences.

Behaviour Expectations and Rules

As part of our commitment to a safe, respectful and supportive learning environment, we have developed a Behaviour Expectations and Rules Matrix to establish consistent expectations and rules across our school. Developed collaboratively with staff and students, it reflects a shared understanding of the behaviours and values we want to see in all settings. Teachers will explicitly teach, model and reinforce these expectations and rules to support students in making positive choices and consistently demonstrating positive behaviours.

By establishing common expectations across the school, we aim to strengthen consistency, support student wellbeing, and ensure all students feel safe and ready to learn.

1 Classroom Expectations

- Align with school expectations
- Student negotiated
- Clearly posted
- Explicitly taught
- Monitored
- Specifically reinforced

They should be:

- observable
- measurable
- positively stated
- understandable
- always applicable

EXCITING LITERARY WEEKEND IN BACCHUS MARSH

Congratulations, and a very special shout-out to local authors and organisers,

Jem Tyley-Miller and Wayne Marshall.

BRAVO on a wonderful, better-than-ever 10th Anniversary event.

The Peter Carey Short Story Award, incorporating the Moorabool Young Writers Awards ceremony for 2026, coincided with the Bacchus Marsh Literary Walk on Saturday.

Both events celebrated local literary legends Peter Carey and Frank Hardy.

2026 was the milestone 10th-anniversary of the Peter Carey short story competition, judged by the passionate and highly engaging author Laura Jean McKay.

Laura Jean McKay is the author of **The Animals In That Country**, winner of The Arthur C Clarke Award, The Victorian Prize for Literature 2021, The Victorian Premier's Literary Award for Fiction, the ABIA Small Publishers Adult Book of the Year and co-winner of an Aurealis Award 2021. The 'Animals in That Country' was also shortlisted for The Stella Prize, The ASL Gold Medal, The Readings Prize and longlisted for The Miles Franklin. Laura Jean is also the author of *Holiday in Cambodia* and an adjunct lecturer in Creative Writing at Massey University.

How exciting for our young authors to not only be in the company of Laura Jean McKay, but to have had their work judged and their awards presented by local author Allyse Near, whose debut novel **'Fairytale for Wilde Girls'** celebrated her passion for Fairytale and made our 2026 prompt to reimagine "Once Upon a Time: Fairy Tales & Fables" so very exciting for everyone.

In addition to all of the above, the **Bacchus Marsh Literary Walk**, earlier in the day, explored the childhood stories and physical sites of Peter Carey and Frank Hardy, to name just two authors, via a guided 6km tour around Bacchus Marsh, which, of course, highlighted BMPS as Peter Carey's Primary School.

Congratulations to the following students and to Ms Younger for her promotion, writing support and encouragement.

We look forward to displaying their published pieces in our foyer and enjoying some excerpts from their writing at our week 10 assembly.

Year 3 4 section:

Well done, Wayne and Jem 😊

Peter Carey, speaking from New York, so passionately about our authors and his love for the town.
Very exciting!

BMPS PERFORMANCE CLUB

Last Thursday, the BMPS Performance Club put on their showcase. Students danced, sang and acted up a storm!

This was the premier performance of 'More Than a Crown', which celebrated individuality and self-acceptance.

Well done to our performance club students who enjoy this opportunity during recess and lunch on designated days across the week.

WINTER SPORT

On Friday, our Grade 6 students, along with selected Grade 5s, attended our annual Winter Sports Day carnival. Students competed in Tee-Ball, Soccer, AFL, Netball and Hockey against other schools in the Bacchus Marsh District. Congratulations to all of our students on the excellent effort and sportsmanship shown on the day. We hope everyone enjoyed the experience.

The Girls Tee-Ball team won their competition and progressed to the Division level to take place on Tuesday, 23rd June in Melton.

Huge thanks to all our staff and parents who supported the day.

WELCOME CIRCLES AT BMPS

Building Connection, Belonging and Wellbeing

At Bacchus Marsh Primary School, we use Welcome Circles as part of our commitment to creating a safe, inclusive and supportive learning environment for every student.

Welcome Circles are based on the principles of the Berry Street Education Model, which recognises that students learn best when they feel connected, valued and emotionally safe.

By beginning each day together in a circle, students have the opportunity to connect with their teacher and classmates, develop positive relationships and start the day ready to learn.

OUR WELCOME CIRCLE ROUTINE AT BMPS

At Bacchus Marsh Primary School, Welcome Circles follow a consistent structure so that students know what to expect each day.

Our circle routine includes:

Greeting – welcoming each member of the class.

Values Focus – highlighting school values and positive behaviours.

Expectations – reviewing learning intentions and classroom expectations.

Announcements – sharing important information for the day.

Positive Primer – ready class for learning, energise and build connections.

IMPORTANT 2027 FOUNDATION/PREP ENROLMENT TIMELINE

Apply now to enrol your child in Foundation (Prep) for 2027

All Victorian government primary schools follow a statewide timeline for enrolling in Foundation (Prep) for the 2027 school year.

- If you have a child starting primary school in 2027, it's time to enrol. Make sure to submit your enrolment application by **Friday, July 31 2026**.

If you are enrolling the sibling of a student at our school for Foundation in 2027, and both children will be attending our school at the same time, your child is prioritised for a place at our school.

It is important to submit your enrolment application to us on time as it will ensure your child is included in all transition activities if offered enrolment at our school. This also allows us to plan our classrooms, staffing and transition activities, and ensures your child has the best start to school.

For more information, please read about how to enrol your child in Foundation at [Enrolling in Foundation \(Prep\) | vic.gov.au](https://www.vic.gov.au/enrolling-in-foundation-prep)

If you would like to enrol your child in Foundation (Prep) in 2027, please contact our school office on 03 5367 2745 or bacchus.marsh.ps@education.vic.gov.au to book a school tour or request an application form.

IMPORTANT!

SEMESTER 1 REPORTING CHANGES DUE TO INDUSTRIAL ACTION

We will be providing student achievement reports for Semester 1 this year, and the reports will be distributed at our 3 Way Celebration Interview in the last week of term on Thursday, June 25.

The reports will continue to provide important details of student learning attainment through a dot point, but full individualised descriptive comments, including personal and social learning overviews, will not be included as a result of industrial action taken earlier this term by the Australian Education Union.

Our students P-6 will all continue to write a personal reflection, and this will be included in their portfolio.

Please do not hesitate to make contact if you have any questions or queries relating to Semester One Reports.

ONGOING CONSISTENT MESSAGES:

DROP OFF ZONE – off Young Street

- CARS **MUST NOT PARK** IN THE DROP-OFF ZONE AS IT IS A KISS AND DROP AREA ONLY.
- VEHICLES ARE NOT TO BE LEFT UNATTENDED IN THIS SPACE
- PLEASE DO NOT ACCESS THE STAFF CARPARK AREA AT ANY TIME.

LERDERDERG STREET ENTRANCE

Thank you for your ongoing support with these changes:

- STUDENTS DO NOT USE THE FRONT ENTRANCE AS A THOROUGHFARE INTO OR OUT OF THE SCHOOL
- THE DRIVEWAY GATE ALONGSIDE THE ART ROOM WILL BE THE BREAKFAST CLUB AND MORNING ENTRANCE POINT
- PREP ENTRANCE WILL BE OPEN FROM 8.35 AM
- STUDENTS ARRIVING BEFORE 8.35 AM ARE ASKED TO WAIT IN THE UNDERCOVER AREA UNTIL DISMISSED.
- **FORMAL YARD SUPERVISION COMMENCES AT 8.35 AM**

BUS ZONES ON LERDERDERG STREET

All of the yellow line markings on the north and south sides of the street indicate **NO PARKING** before or after school to allow our buses to safely enter and exit the zone to collect our students.

Pulling up at the Prep entrance gate to collect students on Lerderderg Street is contravening the safety signage and impacting pedestrian and vehicle vision on our crossing. This blatantly ignores the safety rights of our school community.

**PLEASE DO NOT PARK
OVER DRIVEWAYS.**

Autism Connect is available to anyone seeking support related to autism. The service was created for autistic people seeking guidance around diagnosis and services, their families or friends, and anyone supporting an autistic adult or child in education, health settings or workplaces.

"I got diagnosed at age 40 and I found that really enlightening and validating. You've got the ability to send a five-second message and then get a human response. They were friendly, patient and empathetic. They were really just nice to deal with on the phone and it felt like the easiest thing ever."
